# Crafts Club

With teacher *Zoe Hewitt Dutton*

at the **Crypt Centre**

**Tuesdays**

**10.00 am—12.00 pm**

## Learn How to Marble!

*A new 5 week course starts Tuesday 10th January 2017*

During this course students will explore exciting marbling techniques onto paper. Students will consider colour and pattern and how they will combine together to make something eclectic and unique. The pieces of marbled paper will then be used as covers for small hand bound note books, bookmarks, gift cards, and/or to create collages which may be framed.
